

## LA BOÎTE AMERICAN AMARO

BY CARDINAL SPIRITS

A superbly spiced spirit that you bring to the table to sip with a meal, not just before or after it — food-friendly, easy-drinking, low ABV. A collaboration with La Boîte, the famed spice shop in NYC, whose founder Lior Lev Sercarz created an extraordinary custom spice blend of 15 botanicals, including star anise, licorice, orange, and green cardamom. Pleasingly herbaceous and naturally sweet with a dose of citrus and smoke. Serve neat and chilled, or in cocktails.
